General Information

Getting organized ahead of time is the key to making your MPACT Mission Trip a success. Please take time to make sure all required paperwork is completed. Below is a brief description of each form that should be completed and what you can expect from your MPACT trip. If you have attended MPACT in the past, we encourage you to read through the following for there are various items that could have changed.

The cost for attending MPACT is \$165. This includes lodging, meals, a Fun Day pass, literature, lanyard, and a t-shirt for all participants. Register by sending a \$50 non refundable deposit per participant post marked and made payable to:

Mpact Missions Inc.
P.O. Box 458
Eldorado, TX 76936

by **March 1st**. This deposit will lock in your fee at \$165 per participant. All registration fees received after March 1st will be charged \$190 per participant to attend. Please register on time to avoid the late charge.

The Registration Form will need to be completed by each participant attending. The form is designed to help you in registering each participant on time with our online registration application. All participants will need to be registered online by **April 1st**.

All remaining balances are due by **May 1st** and need to be postmarked as such. All deposits are transferrable but non refundable.

Registration Form

When we form our work teams for the week we like to mix youth and leaders from other churches together. This provides an opportunity to get to know someone you did not know before. The result is sometimes a life long friend. In order to form these teams so they work efficiently, we ask that you rate your students according to their leadership abilities and Christian walk. Please rate male and female students with 1's, 2's, and 3's, E's (leadership groupings, *see below*) If the participant is a Youth Minister, Pastor, Parent or College Student, please rate as SP for Sponsor. Please indicate this in the left hand box at the bottom of the Registration Form and enter it in the proper field upon registration through the MPACT website by May 1st.

Leadership Grid

#1= A leader in your student ministry who has the ability to lead peers – walking with Christ daily.

#2 = A person in your student ministry that has potential, but has not shown leadership – somewhat trying to live for Christ.

#3 = A person you are not sure about spiritually, who came as a guest or has not shown that he/she is walking with Christ right now.

E's –Those in your group who have a heart for evangelism.

SP – Sponsors will be assigned as Team Leaders for each Team unless stated otherwise.

Our Team assignment process is computer generated. If you need a student placed with a Team Leader from your church, please send an email to mama.brown@mpactmissions.org to inform Rancee of the need to do so.

Website Registration

After gathering all of your Registration Forms from your potential participants, compile all participants, (adults and youth alike) attending and register them through the MPACT website Registration Application at www.mpactmissions.org. The following information must be entered in order to complete each participants registration: Name: last, first, gender, age, grade just completed, church, leadership grid code and t-shirt size. Realizing participants will add and drop out until the last minute, please make changes accordingly before you arrive. This will in turn update the master list. Upon registration, you will be required to make any changes yourself to your participant list. A computer will be provided for your use.

T-shirt Order

May 14th is the deadline for submitting the number of t-shirts. (I.E., if you order 30 shirts and you have 32 people sign up, those two people will not get one. I.E., if you guess 30 and you only have 20 make the trip, you will have 10 extra shirts that you will be responsible for purchasing.)

Minor Medical Release Form (301-MMR)

(Please print new MMR forms from the website each year before use)

You will be responsible for obtaining a medical release & liability form from each of your students participating. In the event a youth member becomes injured and needs medical assistance, the youth minister or sponsor will need to provide a medical release approved by a parent or legal guardian to the medical provider. Please bring two copies of each minor participants form. One copy will go to our registered nurse, one copy will be given to each Team Leader, to whom your youth is assigned and you will keep the original. ***It helps us tremendously if you have your intern alphabetize these ahead of time.***

Students who have just completed the 12th grade and are 18 years old are considered participating students and must also complete this form.

18+ Camper Recommendation Form

You will be responsible for obtaining an 18+ Camper Recommendation Form for your students who are attending MPACT as students but are over 18 years of age. You will fill out one of these forms for your church. These students will need to fill out the Adult Medical Release Form.

Adult Medical Release Form (301-AMR)

(Please print new AMR forms from the website each year before use)

You will be responsible for obtaining a medical release & liability form from each of your adults/sponsors participating. In the event an adult member becomes injured and needs medical assistance, the youth minister or sponsor from another team will need to provide a medical release approved by them to the medical provider. Please bring two copies of each participants form. One copy will go to our registered nurse, one copy will be given to each Team Leader, to whom your youth is assigned and you will keep the original.

Vehicle Information

(This information is recorded on the registration page)

Each church should provide adequate transportation for their students and sponsors. Upon arrival, after teams are assigned, automobiles will be assigned to each team. Each church should drive its own vehicle and/or vehicles. If you have enough space for your participants upon departure, there will be enough room for participants when teams are formed. **We do not want students driving students in their personal vehicles. Do not bring a vehicle with participants if that vehicle cannot be used to transport.** Each participating church will be responsible for supplying adult drivers and keeping their vehicles/vans fueled during the week. Although MPACT will supply water coolers, supplies could run low. So, we ask that each vehicle be stocked with a 5 gallon water cooler or ice chest ready for ice and water. There will be ice and water available each day for your team. Leaders are responsible for refilling. Please mark your cooler with your name. We also recommend a first aid kit.

Secured Items

Please secure items you bring by locking them in the vehicle your church traveled in. We encourage you to leave all expensive and unnecessary items at home.

Youth Ministers

Youth Ministers,

You set the tone for your youth group and the MPACT group as a whole by leading in example and acting responsibly. Especially while driving youth around town and being firm with how they dress and act. Parents are counting on you to be responsible with their child. All churches assume heavy responsibility when taking teenagers and adults out of town on trips. For a student ministry to function well in and out of town, obeying guidelines and policies is essential.

We encourage you to go over, copy and discuss the rules set forth for all youth and youth leaders, also making sure their parents read the **guidelines and dress code** set forth for the trip. Christian conduct at all times is essential in making this mission successful.

On all mission trips, being sent home will be the normal result of breaking curfew, being in the opposite sleeping quarters without an adult sponsor present or permission given by an adult sponsor, body piercing must be removed (accept ears), possessing alcohol, illegal drugs and/or tobacco products, leaving the group without permission, intimate petting (PDA), stealing, assault, or the possession of pornography or a dangerous weapon.

Failure to abide by the guidelines and expectations could result in a trip home and this does include Youth Ministers and Adult sponsors. The parents of the teenager will be expected to pay for commercial transportation home. Parents agree to support sponsors' decisions about sending youth home, knowing that only those present on the trip can know all the variables.

Adult Sponsor Expectations

Adult Sponsors will be responsible for the following:

1. Attend mandatory daily meetings at 7:30 a.m. to discuss needs, concerns and problems and to pray.
2. Assure that your vehicles are fueled each day and ready for the next day.
3. Determine what tools and equipment you will need for daily work projects. (See Project request Form for your worksite.)
4. Return and recheck tools and equipment to tool trailer when no longer needed.
5. Return and recheck cameras.

Attend all mandatory meetings on time. The schedule needs to be followed from the time your group arrives until the morning your group leaves. We do realize unforeseen events will happen and therefore we ask for “Flexibility”.

Worship and Bible Study Behavior

Times of teaching and corporate worship are mandatory meeting times. Christians who are seeking to grow in the Lord deserve to study and worship without hindrance. Leaders have a responsibility to maintain that atmosphere. Inappropriate behavior during these times may result in the same consequences of breaking other guidelines and expectations.

Sponsors,

Parents are counting on you to be responsible with their child. All churches assume heavy responsibility when taking teenagers and adults out of town on trips. For a student ministry to function well in and out of town, obeying guidelines and policies is essential.

What Can I Expect While on an MPACT Trip?

Arrival

You and your youth group will arrive at the host church between the times of 4:00-6:00 p.m. on Saturday. After your youth group checks in at the MPACT registration table you will be assigned sleeping quarters in a designated area of the church/school. You will carry your belongings to your sleeping area and set up your home away from home for the week. You will have time to explore around the church/school, grab a soft drink at the concession stand, play basketball, volleyball, or meet other participants before dinner time.

First Session – Saturday Evening

After dinner, you will have a few moments to relax before the evening worship time. During the evening worship time we will enjoy group energizers, singing, orientation and a challenging message. We will review the expectations and guidelines with everyone and update you with all the pertinent information you will need for the evening and the following days to come.

Sunday Morning

On Sunday morning we will meet in the church/school cafeteria for breakfast. We will be led in a worship time by a youth minister and praise team during the Sunday school time. At the close of the worship time we will all go to our assigned churches for regular church worship. Some groups may stay at the host church while others will be assigned to other churches in the community and surrounding towns. After the close of the Sunday morning worship times all groups will head back to the host church to eat lunch. After lunch each participant will be assigned their work team for the week. When the teams have been assigned they will go to their assigned work sites. Some teams may start the work projects on Sunday afternoon while others will go to the site and meet their host families. After the teams see their work sites and determine their needs for the work week they will go as a team to a local restaurant/fast food place for dinner at their expense. This is the first of two meals that is not included in the registration fee. (Please see Thursday for the other meal you will be responsible for.)

Monday-Thursday (Morning)

Breakfast is at 7:45 a.m. each morning followed by a worship time. While the youth are having a devotional/prayer time the adult leaders will be meeting each morning @ 7:30 a.m. From there you will go to your assigned work site with your team. Monday through Wednesday, teams will work at their assigned sites. Thursday the entire group will have a fun day together.

Monday- Thursday (Evening)

You will return to the host church around 4:30 p.m. and head to the school to take a shower before some free time and dinner at the church. After dinner, everyone will come together for a group worship time. The evening worship times will offer fun activities, community building, singing, and a message from the Bible by a youth minister or adult leader with an inspirational and challenging message plus a “video of the day presentation”.

Tuesday Night during worship we want to recognize our seniors who have graduated. They are not only graduating from high school but some are graduating from MPACT. This will

be a time to thank them for their service and commitments and pray blessings over their lives.

Worksite

Once you arrive at your worksite, you will begin working on the projects assigned to your work team. Your work site may include, scraping paint, painting, building or repairing steps, repairing roofs or porches, caulking windows, or yard work. Each team will have a minimum of one to two adults assigned to them for the week.

Church Group Times

At the end of the worship time you will meet with your youth group and reflect on the day's activities as well as look forward to the next day's expectations. After church group time is over, you will have free time until lights out. Concession stand is open at this time.

Thursday "Fun Day"

On Thursday, MPACT will travel in a caravan to a fun day just for them. Each church will take care of driving their students in their vehicles. At the close of the fun day (around 3-4 p.m.) the church youth groups will go out to eat with their group. This is the second meal each participant will pay for and is not included in the registration fee. At the close of the meal you will return your group to the host church for the video presentation of the week and the final worship service.

Friday

Before breakfast all groups will pack and load their vehicles. After breakfast all groups must help clean up the host church. Once the church is clean all groups will head back to their home churches.

Free Time

Free time will give you the chance to make new friends, play basketball, volleyball or take a nap or visit the snack bar.

Photos

We will be taking many photos all week long of youth making an MPACT. After editing by our video team you will have access to these photos. Also you will be mailed a group photo that will be taken on Sunday Night (T-shirt night). We will give each participating church a framed photo of MPACT to display in your church.

Video

Each church will be given access to the video from the entire week.

Snack Bar and Souvenirs

During free time and after worship, MPACT/or the Host Church will have a snack bar with snacks and sodas available for sale. T-shirts, hats, wristbands, backpacks and other miscellaneous MPACT memorabilia will be available for purchase also.

Safety

(Please discuss the following safety rules with your group prior to arrival)

Safety is a high priority at MPACT. We take careful precautions to provide the safest possible conditions.

- Close adult supervision is required at all project sites and youth leaders are asked to bring only responsible, service-oriented participants who will commit to working safely and responsibly.
- At least one adult is present at each project site at all times.
- Every project site is checked for safety by group coordinators before the mission begins. We avoid sites where firearms, alcohol or drug use/abuse, drug sales, and domestic violence could be a potential problem.
- Safety tips are included on each project site description. Before starting work at a site, a safety meeting helps identify any potential dangers. Here's the time to spot wasp nests, frayed wires, tripping obstacles, etc.
- No participant is required to work in a situation if he or she feels unsure or unsafe about doing so. This includes on roofs, ladders, in water, with animals, etc.
- Safety goggles are required in specific situations, like operating power saws or drills, or using particular cleaning supplies.
- Power tools are to be used only under direct adult supervision, even by senior high students who are experienced in using them.
(use of chainsaws and power washers will be given to a specific team of leaders experienced in this area of work)
- Only licensed adult drivers listed by their churches as "designated drivers" are allowed to transport participants to and from project sites.
- Participants are encouraged to drink adequate liquids to stay hydrated.
- Participants are requested to bring protective clothing, shoes, hats, gloves, and sunscreen.
- Local medical facilities and services are identified before the Mission begins. Directions and phone numbers are provided to team leaders.
- First aid kits are sent out with each project team if you are in need of one.
